ITERAM CAPITAL BECOMES A SIGNATORY OF THE PRINCIPLES FOR RESPONSIBLE INVESTMENT SUPPORTED BY THE UNITED NATIONS (UN PRI)

Geneva, Switzerland, April 6, 2023 -- ITERAM Capital announces that it has signed the Principles for Sustainable Investment (PRI) in order to further develop and enhance its commitment to sustainable investment practices.

As part of its ongoing efforts to measure, develop and improve its actions on responsible investments, our company is pleased to participate in the joint efforts of more than 4,000 asset management actors aiming to benefit the environment and society as a whole.

As a signatory, ITERAM commits to applying the following Principles for Responsible Investment:

1. Incorporate ESG issues into investment analysis and decision-making processes.
2. Be active owners and incorporate ESG issues into our ownership policies and practices.
3. Seek appropriate disclosure on ESG issues by the entities in which we invest.
4. Promote acceptance and implementation of the Principles within the investment industry.
5. Work together to enhance our effectiveness in implementing the Principles.
6. Report on our activities and progress toward implementing the Principles.

Co-founder Marc Sbeghen states: « We are proud to become a signatory of the PRI. This shows that no matter what the field of activity in asset management, the scale and location, everyone and every entity can contribute to the common effort in sustainable investment. This also allows us to materialize the ongoing work done by our teams in environmental, social, and governance engagement. We aim to enhance alternative investments, long perceived as less responsible, and contribute to their improvement, whether it be in hedge funds, private debt, or venture capital. »
